THANK YOU!

First Saturday in June in the Turner Elementary School Gym

The show starts at about 9:30 am and has been done about 2:30 to 3:00 pm the past few years. You can let us know you plan to set up the Friday evening before between 4 and 6 pm or the morning of the event, the gym is open about 7:30 am.

Craft vendors - in the gym

We welcome craft vendors to join us in the gym and sell their creation. The cost is \$15.00 for a 8 X 8 space and the donation of one item for our silent auction item. You will need to provide your own tables but chairs are available. There will be a food booth on the grounds all day long. You can send your registration money with the registration form to the address provided on the form.
